Plastic Waste Collection Drive

MARATHWADA MITRAMANDAL's COLLEGE OF ARCHITECTURE

conducting an informative online session of

Pune's Waste management System

on 14 December 2021 at 1:00pm to 2:00pm.

Waste management includes the processes and actions required to manage waste from its inception to its final disposal. This includes the collection, transport, treatment and disposal of waste, together with monitoring and regulation of the waste management process and waste-related laws, technologies and economic mechanisms.

This information of the whole journey of city waste is to be explained to you by Mr. Amogh Bhongale from SWaCH .

DO ATTEND THE SESSION!!!!
